

Library Board Meeting
June 6th, 2023

Attended:

JoLeah Tettleton
Vanessa Conner
Jennifer Mitchell
Michael Sullivan

Absent:

Stan Crisel
Kelly Burge
Frieda Phillips
Dee Smith
Mandy McMillon
Courtney Ruser

Meeting called to order by JoLeah Tettleton at 7:15pm. Minutes read by Vanessa Conner, motioned and approved.

Updates were announced as followed:

The library cookbook (with recipes donated by the local public) will be put together in July. While the primary focus will be on selling the books during the Puxico Homecoming, they may be purchased before and after the event, until sold out. A limited amount of books will be created for this event. Final count to be determined at a later date.

Childrens' Summer Reading Program began June 5, 2023 and will end on July 28th, 2023. No late reader logs will be accepted.

Library members will host a fundraiser consisting of biscuits/gravy/drink breakfast, bake sale, and yard sale on June 24th, 2023. Modern Woodmen has agreed to match monetary funds raised at this event.

There has been an update to library policies. These policies may be reviewed by the public. The most significant update is: new forms are available to be filled out by anyone disagreeing with any questionable books or materials in the building.

In other news, it has been city board determined to close the library basement from use to the public.

Flooding waters, past and present, have caused damages and other issues. The elevator is also not in service, and restricts handicap access ability. Therefore, all books and materials have been moved to the top floor. All meetings, story time, and special events will be conducted on top floor only.

Next board meeting is set for July 18th, 2023. Meeting adjourned, with motion and approval at 7:42 pm.
